<h3>Department of Computer Applications(MCA)</h3>

About Department<br>
```

The Master of Computer Applications program was accredited by National Board of Accreditation(NBA). This program was established in the year 1999 and is the first PG program started in Dr. Ambedkar Institute of Technology, which is
affiliated to Visvesvaraya Technological University, Belagavi and Approved by All India Council for Technical Education(AICTE). Currently, this department is offering one PG program and one Ph.D. program in various specializations of Computer Applications, The MCA program received academic autonomy in the year 2016. There has been an increasing trend in the number of students getting placed in National and International IT companies and in top corporate bodies during the recent past. The faculty members are highly qualified and experienced with Doctorate degrees. The department is having five doctorate degree holders guiding 10 research scholars for their PhD degrees. The Department is equipped with state-of-the-art infrastructure and computing facilities with High-speed Internet facility.

The Curricula and Syllabi of Master of Computer Applications (MCA) course offered by Dr. AIT is designed considering the need for different Software Houses in India and abroad and has a high job potential in IT Sector in India and abroad as per Outcome-Based Education.
